Chapter 13 Plan

Part 1: Notices

To Debtor(s): This form sets out options that may be appropriate in some cases, but the presence of an option on the form does not indicate that the option is appropriate in your circumstances or that it is permissible in your judicial district. Plans that do not comply with local rules and judicial rulings may not be confirmable.

In the following notice to creditors, you must check each box that applies

To Creditors: Your rights may be affected by this plan. Your claim may be reduced, modified, or eliminated. You should read this plan carefully and discuss it with your attorney if you have one in this bankruptcy case. If you do not have an attorney, you may wish to consult one.

If you oppose the plan's treatment of your claim or any provision of this plan, you or your attorney must file an objection to confirmation at least 7 days before the date set for the hearing on confirmation, unless otherwise ordered by the Bankruptcy Court. The Bankruptcy Court may confirm this plan without further notice if no objection to confirmation is filed. See Bankruptcy Rule 3015. In addition, you may need to file a timely proof of claim in order to be paid under any plan.

The following matters may be of particular importance. **Debtors must check one box on each line to state whether or not the plan includes each of the following items. If an item is checked as "Not Included" or if both boxes are checked, the provision will be ineffective if set out later in the plan.**

If the automatic stay is modified in favor of a secured creditor all claims secured by the collateral shall be disallowed; however, an amended claim(s) for a deficiency to be classified as a general, unsecured claim(s) may be filed within 30 days after the collateral has been liquidated. Whether or not an amended claim is filed the debt shall be discharged upon completion of the plan.

3. Except for valuation of secured claims as specified in the plan, the debtor reserves the right to object to claims following confirmation of the Plan (or modified Plan).

4. Payments received by claimants resulting from errors made in the allowance of claims, the calculation of balances due upon allowed claims or payments made upon allowed claims, shall be refunded by the claimant to the Chapter 13 trustee within 30 days of notice of the mistaken payment.

5. No payment will be made on nonpriority unsecured claims until all secured claims have been paid. Funds received by the trustee which are not needed for the payment of administrative claims, fixed payments on secured claims, arrearage claims or priority claims shall be distributed on a prorata basis to the payment of secured claims.

6. The claim of any creditor designated by the plan to be paid through the plan as secured for whom no timely, secured claim has been filed and allowed shall be classified as a general, unsecured claim and (except to the extent of payments to be made upon claims secured only by a security interest in real property that is the Debtor(s) principal residence under 11 U.S.C.
